SUPERINTENDENT'S REPORT
2009-2010

The 2009-2010 school year has been a challenging moment in time for our families and communities. The economy has affected all of our lives, each of our schools has attempted to respond to the individual needs of our students and their families. We would like to thank all of our citizens for their kindness, generosity and support.

Teachers and administrators in SAU #48 are continuing to focus on curriculum, assessment, and data-driven decisions to analyze and improve student achievement. In addition, we are bringing teachers and administrators from all of our schools together to solve problems, clarify curriculum, and discuss best practices. Teachers have taken leadership roles in these discussions during a K-12 SAU In-service in August and an SAU In-service Day in January of this year. During these in-service days, we have addressed issues that affect daily instruction and our students' total educational experience, preschool through grade 12. These dialogues have included curriculum development by grade level and content areas, social issues, technology, and collaboration among all of our schools. Our teachers have used professional development opportunities to have a clear understanding of all critical aspects of education as educational philosophy and practice evolve using 21st Century skills.

Additionally, teachers have been actively presenting at national and state conferences. A team of Plymouth Regional High School mathematics educators presented their action research mathematics project at the National Staff Development conference in Boston during July 2009. At the Christa McAuliffe Technology Conference in Nashua during December 2009, Wentworth educators showcased digital portfolios as an integral part of their student led conferences. The library personnel have been meeting monthly to collaborate on K-12 library media curriculum; all K-12 school libraries are now online.

This year, we will continue to move as much information as possible on to our school web sites. We are attempting to not only become as "paperless" as possible, but to allow our parents and citizens access to all of the information they need to become fully involved in their students' education and their community's schools.

The three of us wish to thank all of our Board members, staff, volunteers and residents for their support and commitment to public education.

2009 Chief's Report

We applied for a grant from Meredith Village Savings Bank toward the purchase of an automated CPR machine. We were pleased to receive a grant for \$5,000. from them. The Firefighters Association started a fund raising campaign to raise the remaining \$10,000. needed to purchase such a machine. We meet our goal of \$15,000. in November, thanks to the many contributions of the citizens of the communities we serve. We have purchased a Zoll Autopulse Machine and it is now in service on the Ambulance.

The Firefighters and EMT'S have been taking classes to better their skills and be prepared for many types of emergencies.

The department is always looking for call firefighters and emergency medical technicians who wish to serve their community. It takes many hours of training before you can be certified as a firefighter or emergency medical technician. If you are able to make a commitment to training, stop in and pick up an application.

We have an explorer post for boys and girls between the ages of 14 - 18 years old who may be interested in becoming a member of the Fire and EMS community. Applications may be picked up at the fire station.

It is also very important to have your 911 address posted near the road in a highly visible area to be seen day or night.

The department is appreciative of the support you have given the firefighters and EMT's and look forward to another year of serving.

Respectfully,
David E. Tobine
Fire Chief

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfi.org.

Spring fire season was unusually short this past year, with wet weather beginning the third week in April and lasting virtually all summer long. Consequently both the number of fires and the number of acres burned were below the last five year average. Due to state budget constraints, the staffing of our statewide system of 16 fire lookout towers was limited to class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookout towers are credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented this year by contracted aircraft and the Civil Air Patrol when fire danger was especially high. Surprisingly the largest single fire this year occurred in late November during an unusual dry spell, in the northern Coos County town of Clarksville. This fire burned 17.1 acres and is presumed to have been caused by a careless hunter. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2009 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

Dear Board of Selectmen:

Pemi-Baker Home Health & Hospice appreciates payment of your annual assessment to this agency and your willingness to help our efforts to bring quality healthcare to your community. Member towns help support the cost of an array of programs offered, as well as the reduced fee service given to your residents that are uninsured. These residents need our help to remain independent at home.

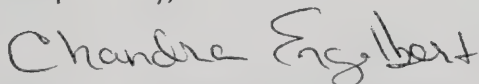

We are requesting the sum of \$391.50 to be included in your 2010 fiscal budget for home care services to your town. This figure represents a population figure of 87 (The total population is obtained from the Office of State Planning) and a per capita of \$4.50.

I have included a report for you to use in your 2009 Town Report. Since 1967, we have worked with you as a member town and are very appreciative of your interest and support. We look forward to our continuing relationship with Ellsworth and to delivering our services to you in 2010.

As with other nonprofits today, one of our major challenges is to maintain financial viability. The Homecare Association projects that by the end of 2011 most nonprofit home health agencies will have operating deficits and many are at risk to go out of business. Services that we provide to the people and families in the town of Ellsworth are a safety net and this is a time they are needed the most.

Thank you very much for your ongoing cooperation and support. If you have any questions regarding the services of Pemi-Baker Home Health & Hospice, please do not hesitate to contact me.

Respectfully,

Chandra Engelbert, RN, BSN, MBA

Board of Selectmen
Town of Ellsworth

Ellsworth, NH 03223

Please accept this letter as a request for funds in the upcoming fiscal year for the American Red Cross in the amount of \$50 (the same amount requested in the last two years).

The Granite Chapter now serves about two-thirds of New Hampshire, including central and northern communities. Chapter staff and volunteers provide support and relief after a disaster; emergency preparedness training; courses in health and safety; blood drives; volunteer and youth leadership opportunities; and aid to military families. I have enclosed a brochure with additional information about the work of the Granite Chapter; our Annual Report is available upon request.

In fiscal year 2009*, your Red Cross chapter has been active in and around Ellsworth.

- Red Cross trained volunteers make up the chapter's **Plymouth Area Disaster Action Team**, which responds to disasters day or night in Ellsworth and surrounding towns. In all, the Granite Chapter has seven Disaster Action Teams with over 100 specially trained volunteers. The other teams are based in Concord, Lakes Region, Berlin, Littleton, Mount Washington Valley, and Colebrook, and travel to meet the disaster needs in any of our towns.
- Fortunately there were no home fires or other local disasters last year in Ellsworth that required Red Cross assistance. In all last year, our disaster volunteers responded to **119 disasters**, helping a total of **313 people**, including 109 children, in 44 towns. 80 percent of the local disasters were residential fires. Disaster teams were also on the scene of the July Tornado and the Ashland Floods in August. During the December Ice Storm, the Chapter operated 15 Red Cross emergency shelters round the clock, and worked with communities at another 30 emergency shelters.
- **569 Licensed Nurse Assistants** entered the healthcare field last year because of the training and/or testing through the Chapter's LNA training program.
- The Red Cross is there to help the Armed Forces personnel and their families in times of crisis. Last year this chapter responded to **118 cases** for assistance to military families.

* Fiscal Year 2009: July 1, 2008 – June 30, 2009

- Last year, **14,732 Health and Safety classes** trained **1,604 participants** at the chapter office in Concord and communities throughout our jurisdiction. Red Cross classes include CPR, First Aid, use of AEDs, Babysitter Training, Safe on My Own (for ages 8-11), Pet First Aid and more. We are always glad to arrange for Red Cross classes in Ellsworth with an enrollment of six or more participants.
- Last year in all the towns that we serve, there were **313 blood drives** where donors gave a total of **15,813 units of the "gift of life."** NH hospitals depend on the American Red Cross for their blood supplies.

All Red Cross assistance is free to disaster victims. The Granite Chapter is a non-profit organization that receives no annual federal funding. We depend on generous donations of time and money from the American people to support our services. An appropriation from Ellsworth would help to the Granite Chapter continue to train and prepare people for emergencies, and respond swiftly and effectively in times of crisis.

Based on two years of data, the average support provided to disaster victims is about \$1300 per case. Municipal contributions are one part of our diversified funding sources. We ask all 110 towns in our area for a contribution based on the same rate per capita. Last year we received funding from a generous 32 percent of our towns.

Volunteers and staff of this chapter look forward to serving the residents of Ellsworth in the next fiscal year. Thank you for your consideration of this request to support the humanitarian work of the American Red Cross.

Please feel free to contact me if you need any other information (603-225-6697 x226). I or my representative would be glad to meet with you.

Sincerely,

Maria White

Board of Selectmen

Ellsworth, NH 03223

Dear Selectmen:

Plymouth Regional Clinic is requesting that area towns appropriate funds to the clinic in their 2010-2011 budgets. We are a nonprofit clinic providing general medical care to area residents who have limited incomes and no health insurance. Since the clinic opened in July 1994, our volunteer physicians, physician's assistant, nurse practitioners and nurses have provided medical care one evening a week for more than 4,940 patients visits. The recent economic crisis and escalation in the cost of medical insurance have made our services even more important to low income area residents.

We have seen patients of all ages and for varying medical complaints, from minor ailments to life-threatening illness, with many seeking treatment for illnesses or conditions which have gone unattended because the patient could not afford medical care. We have also assisted many patients in identifying and accessing other available medical and social services which might help them. The enclosed brochure provides more information on our services and eligibility requirements.

In addition, since July 2000, we have offered limited assistance with the cost of prescription medications for our patients who are unable to pay for a prescription written for them at our clinic. Because of the high cost of many prescription medications and our budgetary constraints, this service is limited to patients whose prescription has been written at Plymouth Regional Clinic, for short-term, immediate needs.

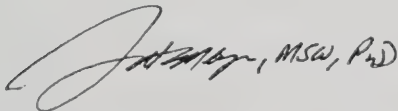

Plymouth Regional Clinic does not charge for its services and we have managed to keep operating expenses low through the generous donation of in-kind services by Family Planning, Spere Memorial Hospital and area businesses; as well as through the volunteer services of our area healthcare providers and other volunteers. Nevertheless, the costs associated with a part-time administrator and our prescription assistance mean that our expenses continue to increase. Other necessary expenses include costs for insurance, telephone service, medical and office supplies, photocopying and government fees, among other items. We are funded, in part, by Spere Memorial Hospital, Lakes Region United Way and the Anita Fund of the New Hampshire Charitable Foundation. We also continue to solicit donations through our annual appeal letter

each December. The generosity of area towns, however, remains crucial to the continuation of our ongoing efforts to provide care for the uninsured.

In recognition of the budgetary constraints faced by area towns, we are making the same request for funding as in past years – that area towns place in their 2010 budgets (for FY 2010-2011) an appropriation of \$1,000 or any portion of this which the town feels is appropriate. It is hoped that the towns may realize some savings in the medical portion of their welfare budgets due to the availability of Plymouth Regional Clinic's services.

If you have questions not addressed in the enclosed brochure or would like more information, please feel free to contact Eileen Towne, our Executive Director, at 536-4467. We hope the towns will continue to support our efforts to meet the medical needs of community members who cannot afford health care. Thank you for your consideration.

Sincerely,

Dear Budget Committee:

From July 1, 2008 to June 30, 2009 *Voices Against Violence* worked with **552** adult and child victims / survivors who have been affected by domestic or sexual violence, or stalking. Direct services included crisis counseling through our 24-hour hotline; one-on-one crisis and ongoing advocacy; providing emergency shelter to women and children; support groups; hospital, police and court accompaniment; restraining orders and other legal assistance; providing food, clothing, and transportation; advocating for families' medical/mental health, housing, and financial needs; assisting with educational and employment opportunities; and much more.

Voices reached an additional 2,269 individuals through our education and outreach programs. Among those programs were workshops for students and faculty at area schools on topics such as bullying prevention, healthy relationships and boundaries, how to help a friend in an abusive situation, and teen dating violence. We are also working with law enforcement and community agencies in your area to create a unified community response to domestic and sexual violence, and will be placing a great deal of effort in our prevention activities that will hopefully alleviate long-term burdens on the town that result from family violence.

With this in mind, I submit this annual budget request in the amount of \$500.00 for the 2010 fiscal year, which is this year's base request for the smallest towns we serve. We greatly appreciate all of your past support and your consideration of this year's request. Please do not hesitate to contact me at 536-5999 with any questions, or if I can provide additional information to the Committee.

Grafton County Senior Citizens Council, Inc. is a private nonprofit organization that provides programs and services to support the health and well being of our communities' older citizens. The Council's programs enable elderly individuals to remain independent in their own homes and communities for as long as possible.

The Council operates eight senior centers in Plymouth, Littleton, Canaan, Lebanon, Bristol, Orford, Haverhill and Lincoln; operates adult in-home care from offices in Lebanon and Haverhill; and sponsors the Grafton County ServiceLink Resource Center and RSVP and the Volunteer Center. Through the centers, ServiceLink and RSVP, older adults and their families take part in a range of community-based long-term services including home delivered meals, community dining programs, transportation, counseling, elder care, chore/home repair services, recreational and educational programs, and volunteer opportunities.

During 2009, 5 older residents of Ellsworth were served by one or more of the Council's programs offered through the Plymouth Regional Senior Center or ServiceLink:

- An older adult from Ellsworth enjoyed 58 balanced meals in the company of friends in the Plymouth center's dining room.
- An Ellsworth resident benefited from ServiceLink assistance in 2009.
- Several Ellsworth residents participated in activities at the Plymouth Regional Senior Center

The cost to provide Council services for Ellsworth residents in 2009 was \$504.69; we are requesting assistance of \$100.00 from the town in 2010.

GCSCC's services can be critical to elderly individuals who want to remain in their own homes and out of institutional care in spite of chronic health problems and increasing physical frailty, saving tax dollars that would otherwise be expended for nursing home care. They also contribute to a higher quality of life for older friends and neighbors. As our population grows older, supportive services such as those offered by the Council become even more critical.

Grafton County Senior Citizens Council very much appreciates Ellsworth's past support for our programs that enhance the independence and dignity of older citizens and enable them to meet the challenges of aging in the security and comfort of their own communities and homes.

Roberta Berner, Executive Director

UNIVERSITY of NEW HAMPSHIRE
COOPERATIVE EXTENSION

University of New Hampshire Cooperative Extension

**Respectfully submitted: Kathleen Jablonski, Extension Educator and County Office Administrator
2009 Annual Report**

University of New Hampshire Cooperative Extension has been grateful for the support of Grafton County citizens, communities, County Commissioners and the County Delegation in continuing our mission to provide New Hampshire citizens with research-based education and information, to enhance their ability to make informed decisions that strengthen youth, families and communities, sustain natural resources, and improve the economy.

Staff members Deborah Maes, Family and Consumer Resources, Arianne Fosdick, Volunteer Management Program Assistant, Robin Peters, Nutrition Connections, Kathleen Jablonski, 4-H Youth Development, Donna Lee, Teresa Locke, and Kristina Vaughan, Administrative Assistants, were joined in November, 2008 by new staff member David Falkenham, Forestry Resources Educator, and in March 2009 by Heather Bryant, Agricultural Resources Educator. The new Educators have actively stepped into their roles to provide educational programming for the citizens of Grafton County and New Hampshire.

Over the past year, the Agricultural Resources program focused on commercial growers and outreach to the growing number of home gardeners in the County, including a large quantity of site visits in response to the outbreak of Late Blight. Meetings were held on organic vegetable production and tree fruit integrated pest management. The office was a host site for growers to participate in a series of webinars on strawberry production. A six part gardening workshop series was hosted at the County Complex and a local greenhouse. Upon the request of a Haverhill Cooperative Middle School teacher, the Volunteer Management Program Assistant, the County Forester and the Agricultural Resources Educator collaborated on a "Wild Edibles" program which they presented to four different classes.

The Family and Consumer Resources program certified thirty-nine food service workers (90%) who attended SERVSAFE classes and passed the national certification program. Other food service workers around the County attended a two-hour food safety program held in a number of locations.

A two hour session entitled *Managing Money in Tough Times* was offered in four locations around the County, reaching over sixty residents. In addition, financial education information was shared with local libraries, County employees, local media outlets, and was incorporated into educational displays.

The City of Lebanon, working with UNHCE staff, held two city-wide informational meetings to provide public input as they worked on updating their Master Plan.

Highlights of the work done in the Forestry Resources program included: conducting thirty-five site visits with private landowners discussing the health and wise stewardship of over eight thousand acres of private land. These visits simultaneously support New Hampshire's private landowner base, the forest products industry, and NH licensed consulting foresters.

Six natural resource education programs were organized in collaboration with other agencies attracting over two hundred attendees. Topics ranged from selling timber and wildlife management to Current Use education.

The Extension Forestry program has continued to provide educational programs and woodlot management advice to private landowners, forestry professionals, municipal officials and the County Farm Advisory Committee.

4-H Youth Development programs continue to support the ninety-six volunteer leaders and over two hundred fifty youth in Grafton County. Eighteen county-wide 4-H events were held with support from volunteer committees and judges. Grafton County was fortunate to have two National 4-H award winners: Alexandra Patch, of Lebanon, represented New Hampshire at the National Dairy Conference and Hannah Walker, of North Haverhill, represented our state at National 4-H Congress.

A \$30,000 JC Penney Afterschool grant enhanced the UNHCE and A+ program collaboration and increased programming and volunteer recruitment activities. Because of this grant, one hundred twenty additional youth in Campton, Rumney and Plymouth were able to receive afterschool programming. Outreach to this and two other county-based after school programs helped to reach over three hundred fifty additional youth with 4-H curricula.

An on-line orientation system for newly screened 4-H volunteers was implemented, extending the ability of the 4-H staff to reach more volunteers. Statewide work in 4-H Afterschool curriculum development, 4-H volunteer training, and updating materials for the traditional 4-H Club program continues based on current research.

The Volunteer Management Program Assistant (VMPA) conducted several 4-H afterschool programs around the county including at the Plymouth, Campton, and Rumney Elementary Schools and at the Haverhill Cooperative Middle School. In addition, the VMPA worked with the Agricultural Educator and the summer intern on the Display Vegetable Garden and a series of workshops and open-house sessions, and worked with several Master Gardeners to facilitate their projects. All of these programs combined to extend 4-H and Agricultural Resources programming to an additional 157 people.

The State UNHCE Dairy Specialist, Michal Lunak, is housed in Grafton County. His work this year included coordinating a farm business QuickBooks course in Concord for ten participants and conducting site visits as part of an ongoing cooperation with an agricultural engineer from New York to assess building challenges on dairy farms throughout the state.

Additional funding from United States Department of Agriculture's Risk Management Agency for risk management programs was obtained for 2008-2009. Speakers from the NH Alternative Energy Association and NH Electric Cooperative addressed photovoltaic, wind and geo energy production, tips for saving energy on farms, as well as grants available for producers to develop alternative energy production on farms.

Applications of genomics in dairy cattle breeding and sexed semen were discussed at the NH Dairy Management Conference held in West Lebanon and Groveton, by this year's featured speaker from Virginia Polytechnic Institute and State University.

As a collaborative effort with other agencies serving Grafton County, the staff staged the Conservation Field Day at the North Haverhill Fairgrounds in May, reaching 262 fifth grade youth from all over the County. Working with youth and their teachers increases the public's understanding of agriculture and local food production.

Amanda Nadeau, a UNH student and Piermont native, served as Summer Assistant this year. She completed work for both the 4-H Youth Development and Agricultural Resources programs, including assisting with the demonstration garden and gardening workshop series, and the 4-H portions of the North Haverhill Fair.

Nutrition Connections programming continues to serve the population receiving food stamps and those meeting low income guidelines. Nutrition education programs have been held in conjunction with the Grafton County Academy program, Friendship House, and many agencies throughout the County. Robin Peters has been instrumental in bringing NH Food Bank programs into Grafton County.

The Extension staff are advised and guided by the members of the Grafton County UNHCE Advisory Council. This group is comprised of the following members: Mary Ames (Bath), Commissioner Raymond Burton (Bath), Pauline Corzilius (Pike), Commissioner Michael Cryans (Hanover), Annemarie Godston (North Haverhill), Frank Hagan (Bethlehem), David Keith (North Haverhill), Luther Kinney (Sugar Hill), Martha McLeod (Franconia), Joan Osgood (Piermont), Rebecca Page (Haverhill), Commissioner Martha Richards (Holderness), Emilie Shipman (Enfield), Cheryl Taber (Littleton), and Representative Kathleen Taylor (Franconia).

Our office is open to the public and located at the Grafton County Administration Building, 3855 Dartmouth College Hwy, Box 5, N. Haverhill, NH 03774. Telephone: 603-787-6944. NH residents may call the UNHCE Education Center at 1-877-398-4769 for information on energy conservation and home and garden questions. *Executive Councilor
District One*

Report to the People of District One By: Executive Councilor Ray Burton

2009 was indeed the year of American Recovery and Reinvestment Act (ARRA)/Stimulus Funds in New Hampshire!

As of November 4, 2009, \$579,305,870.00 had been allocated in New Hampshire in nine areas: business/community; education; employment; energy; health; housing; safety; technology and transportation. Of that \$181,463,876.00 went to Council District One towns and cities and the counties of Belknap, Carroll, Coos, Grafton and Sullivan.

The ARRA money has enabled local, state and county government to work on projects that have been in process and planning for years.

For a complete listing of these projects go to:

www.ed.state.nh.us/education/recovery/index.htm or write to my office.

Governor Lynch has now submitted the New Hampshire Transportation Plan to the New Hampshire House and Senate. Highways/bridges, rail, aviation and public projects are among the proposed recommendations. Contact your local State Senator and Legislator for details about what projects you believe to be key ones for your region.

As Councilor, I do not see new revenues being raised in New Hampshire State Government. With the decline in existing revenues leading to cut backs in services, only time will determine what the law making branch has in mind for new dollars. Keep in close touch with your local State Senator and Legislator to make sure costs are NOT passed on to county and local government.

The Governor and Council are required by law to fill dozens of boards and commissions with volunteers. If you are interested in serving, please send a letter of interest and your resume to Governor John Lynch, Attention: Jennifer Kuzma, Appointment Liaison, State House, 107 North Main Street, Concord, NH 03301 For the current list of what possible appointments might be coming up go to:

<http://www.sos.nh.gov/redbook/index.htm>.

There is a constant flow of informational items available at my office: tourist maps, consumer handbooks and the New Hampshire Constitution. Each Monday I send, via e-mail, the schedule of my weekly meetings and other information. Send me your e-mail to be added to the list at rburton@nh.gov or find the schedule on my State House web page at: <http://www.nh.gov/council/district1/schedules>.

Contact my office anytime I can be of help.
